Angel Investment Awards

Partnership Prospectus 2027

Thursday 1 July 2027 | London

UKBAA

UK Business Angels Association

The annual UKBAA Angel Investment awards celebrate the high growth and success in the angel and early-stage investment market – recognising the fastest growing brands and acknowledging the founders, angels, crowd funders and early-stage venture capital investors behind them.

UKBAA
UK Business Angels Association

The UK Business Angels Association is proud to present the prestigious Angel Investment Awards 2027, an evening dedicated to celebrating the outstanding achievements and lasting contributions of the UK's angel investing community.

Now in its latest edition, the Angel Investment Awards continues to unite visionary investors, pioneering entrepreneurs, and leading industry stakeholders in a shared celebration of innovation and impact.

Each year, we gather to honour those who champion the growth of the UK's dynamic start-up ecosystem. Far more than a ceremony, the Awards stand as a powerful tribute to collaboration and the catalytic force of angel investment.

This event has cemented its place as a vital fixture for recognising the changemakers driving technological progress and economic resilience. It's a night where bold ideas shine, connections flourish, and the future of British enterprise comes to life through today's success stories.

For our valued sponsors and partners, the Awards offer an exceptional platform to spotlight your commitment to nurturing the next wave of entrepreneurial talent. It's a strategic opportunity to engage with high-impact investors and innovators, positioning your brand at the core of conversations shaping tomorrow's economy.

We remain inspired by the energy and creativity that define our community, and we're confident the next chapter of UK enterprise will be even brighter. Join us in celebrating excellence in angel investing and take part in an evening destined to inspire, connect, and accelerate our industry's evolution.

We look forward to welcoming you to the Angel Investment Awards 2027.

Roderick Beer, Managing Director
